

July 2018

Dear Resident,

Additional Weekend Works

We wish to advise that additional weekend works will take place this Saturday and Sunday between the hours of 08:00-18:00. All works will take place within the site boundary adjacent to Denmark Street between Wokingham Library and Wellington Road Roundabout.

Additional works are taking place to ensure that the existing one-way Traffic Management system set up on Denmark can be lifted as quickly as possible.

There will be no changes to the current Traffic Management that is out on the road at present and all works will be contained within our current site boundary.

McLaughlin & Harvey will make every effort to minimise noise and disruption, so we don't disturb the local environment or traffic and pedestrian flows.

Should you have any concerns about these works, please don't hesitate to contact our site contact number on 07943266124 or 02890 342 777.

For and on behalf of
McLaughlin & Harvey

Conor Gallagher
Civil Engineer
